

2023 ADDENDUM TO THE NOTICE TO PLAYERS

Preferred Lies: Areas Cut to Fairway Height or Less.

MODEL LOCAL RULE E-3 OF THE RULES OF GOLF COMMITTEE PROCEDURES IS IN EFFECT AND IS MODIFIED AS FOLLOWS:

When a player's ball lies in a part of the general area cut to fairway height or less, the player may take free relief once using a preferred lie by placing the original ball or another ball in this relief area:

- Reference Point: Spot of the original ball.
- Size of Relief Area Measured from Reference Point: One club-length from the reference point, but with these limits:
- Limits on Location of Relief Area: Must not be nearer the hole than the reference point and must be in the general area.

In proceeding under this Local Rule, the player must choose a spot to place the ball and use the procedures for replacing a ball under Rules 14.2b(2) and 14.2e. But for the purposes of applying Rule 14.2e, the player has only chosen the spot on which to place the ball once the ball has been set down and the player has let go of the ball with the intent for that ball to be in play.

After a ball has been placed and is in play under this Local Rule, if the player then proceeds under another Rule that provides relief, or is resuming play after stopping, this Local Rule may be used again.

Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: General Penalty Under Rule 14.7a.
