For play in Open Qualifying, a player may obtain distance information by use of a distance-measuring device. A Notice to Players on what is allowed and not allowed will be provided to the players by the Section.

Groove Specifications

Open Qualifying contestants **MUST** use equipment which conforms to the Local Rule for Groove and Punch Mark Specifications as implemented in the PGA TOUR, PGA TOUR Champions and Korn Ferry Tour Local Rules and Terms of the Competition (Hard Card). This condition shall **NOT** apply to Pre-Qualifying. The complete specifications for grooves in elite competitions along with a public database listing conformity of many clubs can be found at USGA.org (click on Playing > Equipment > Club & Ball Lists > Informational Club Database) or by contacting the USGA Equipment Standards Department at (908) 234-2300. Players should confirm that their equipment conforms to the new specifications well in advance of the competition and should be aware that conforming equipment must be used in Open Qualifying, even if a player is successful in pre-qualifying with non-conforming grooves.

If, before the competition, a player has doubt as to the conformity of a club, PGA Section officials will attempt to determine the status of the club(s), but play will not be delayed in doing so. There will be no on-site field testing for groove conformity at Open Qualifying. If the club(s) in question is not listed on the public databases listing conformity of clubs, the club shall not be used in the competition.

In the event that it is discovered that a player's club(s) do not conform after the close of the competition, the provisions of Rule 20 of the Rules of Golf shall apply.

If in the judgment of the Advance Rules Official for that week's PGA TOUR event, whose decision shall be final, conditions render commencement or continuation of tournament play inadvisable, play shall be postponed until such time as the Advance Rules Official for that week's PGA TOUR event determines that such weather conditions or other occurrences or conditions have improved sufficiently for play to commence or resume.

Every effort will be made to complete the qualifying competition as soon as possible. The Open Qualifying competition will not continue beyond the end of the day immediately preceding the first scheduled tournament round of the competition. In the event one or more of the 18-hole Open Qualifying contestants cannot be identified, those qualifying spots will be filled by the next available players on the PGA TOUR Alternate List.

PGA TOUR reserves the right to change the format, venue(s), qualifying spots and other criteria as presently contemplated.
